

New for this year:

This year the **fees will be increased to \$6.00 per week**. \$.75 will go back to the players in prize money; the other \$.25 will be a maintenance fee.

All Players – Please take a minute to read the notes on your standings each week. This is the only way we have of communicating with teams. Make sure to watch the first couple of weeks because if we have to change schedules around, it will be posted on the website www.gmabca.com. Also if a team drops or is added after week 1, this is how we will let you know.

Some drop off times have changed this year. Monday, Tuesday and Wednesday leagues will still be Friday at noon. Thursday leagues will have until Sunday at noon. We will no longer take sheets by email or fax. All envelopes must be dropped off by scheduled time or your team will be fined \$20. This will start right away on week #1.

Captains' sheet with a contact name & number for the captain must be in to us by week #2 or your team will be fined \$20 per week until we get it.

Drop bars are the same as last year: Mortimer's Pub, The Network, Fin & Feather and Flappers.

We will no longer accept sheets by fax or email. Thursday leagues are being managed by a different person, so please do not contact Carolyn about these leagues.

Last names of players must be given the first night they play. If I do not have a last name of a player when they start, that player will be fined \$10, and it will be taken out of the team prize money at the end of the season.

Get a receipt when you turn your envelope in. This way there will be no problem if anything comes up missing.
